UConn ECE program office will be open from 8:30 a.m. - 4:00 p.m. – Monday - Friday.

Have a wonderful Summer!

Student Registration Underway!
The student registration deadline is quickly approaching! All partner high schools should have student registration forms at this time. If forms are needed, schools may print copies from the UConn ECE web site at http://www.ece.uconn.edu/registration.html.

As the June 30th deadline approaches, please remember:
• All registration forms must be mailed to the UConn ECE Program Office by the high school.
• Forms received by individual students will be sent back to the high school in order to establish a high school record.
• Parents and students can be directed to the UConn ECE Program Office to view a protocol for the registration process. http://www.ece.uconn.edu/materials.html.
• Student registration forms must be postmarked on or before June 30th. Registration forms received after this date will be processed in the high school.
• Students will then need to register during the add/drop period.
• Once a student registers for a UConn ECE course, he/she is responsible for paying the course fee.

• Fall New Instructor Orientation, 9:00 – 3:00pm, CUE Building, Room 154, UConn Storrs Campus

For details on all ECE Events, please visit our website at www.ece.uconn.edu.

UConn ECE Award Winners Honored
On April 24, five UConn ECE instructors and their faculty coordinator were honored at the annual awards dinner sponsored by the Institute for Teaching and Learning at UConn, Storrs campus. The winners of the UConn Early College Experience Instructor Award for Excellence in College Teaching were Julie Barker, Physics, Cheshire High School, Maureen Brown, Mathematics, Daniel Hand High School and Thomas Cangro, English, The Gilbert School. Among other accomplishments, Julie and Maureen were recognized for their presentations to their ECE colleagues at professional development workshops, and Tom was praised by responding to "no waves of change in the program with grace and enthusiasm."

Thomas Recchio was the recipient of the UConn Early College Experience Faculty Coordinator Award for Excellence in College Teaching and Instruction Development. Tom is dedicated to high standards for course comparability in ECE English through a unique professional development process often emulated by his colleagues in the faculty coordinator cohort. Tom has a long history with ECE, and has served as an informal mentor for program development.

Welcoming New UConn ECE Instructors

UConn ECE Award Winners Honored

For the first time this year, Lifetime Achievement Awards were posthumously given to Thomas Connolly and Eugene Dasher. Mathematics and Physics, Woodcock High School and Sacred Heart High School, respectively. Tom has been an instructor in ECE for 31 years and has also served as the state representative for Ellington High School. Eugene has been teaching for the program for almost forty years. Eugene has inspired other colleagues in Physics and Math to continue their relationship with UConn ECE. Both Tom and Eugene are retiring this year, and we thank them for their long and dedicated service.

The evening provided more than a venue to honor these special educators. Through highlighting their achievements, we are providing examples of the contributions of the hundreds of dedicated professionals working to provide the opportunity to be UConn ECE students to thousands of young people. Thank you all for the work you do!

UConn Early College Experience

Summer Student Staff

UConn Early College Experience is pleased to welcome Alyson Bevis (middle) and Jennifer Curry (right) to its summer student staff. Alyson and Jennifer will join Heather Ball (left) and Erin Blanchette in program administrative support and student registration. Jennifer Griffin plans to start her maternity leave on July 23, 2007.

Heather Ball joined the UConn ECE team in September 2004 and is a recent graduate of the New School of Education with a focus in secondary Biology. Heather will continue her work with UConn ECE as she begins her Master's degree in September.

Jennifer Curry will be entering her second year as an Art History major at the University of Connecticut. As a former student at E.O. Smith High School, Jennifer is very familiar with the program, and was able to participate in two UConn ECE courses before graduating.

Alyson Bevis is a second-year student at the University of Connecticut with a double-major in English and Psychology. Alyson is a graduate of Manchester High School and brings new energy to the UConn ECE program office.

Heather, Jennifer and Alyson will continue their work with UConn ECE throughout the academic year.

Student Registration Underway!

- Students can add or drop a course between August 27th - September 10th. Students who drop a course during this time are assessed a full refund. All add/drop forms must be accompanied by a $25 non-refundable processing fee. Students may add or drop more than one course on the same form. Add/drop forms can be found on the UConn ECE website at: http://www.eco.uconn.edu/ced/adddropforms.pdf
- It is important to make sure that all students who register for UConn ECE courses are committed to be on-time UConn students and are eligible for many university benefits. This is truly the beginning of a student's college career!
UConn ECE Award Winners Honored (continued)

For the first time this year, Lifetime Achievement Awards were presented to Thomas Connolly, History; Ellington High School and Eugenie Desjardins, Mathematics and Physics, Wolcott High School and Sacred Heart High School. Tom has been an instructor for ECE for 31 years and has also served as the site representative for Ellington High School. Eugenie has been teaching for the program for almost forty years. Eugenie has inspired other colleagues in Physics and Math to continue their relationship with UConn ECE. Both Tom and Eugenie are retiring this year, and we thank them for their long and dedicated service.

The evening provided more than a venue to honor these special educators.
